

NEWSLETTER

A Letter From Our Core Team

Dear Parents,
Welcome to the first issue of our newsletter! It's hard to believe that summer is going so quickly! We hope your summer so far has been filled with family fun, laughter and relaxation. Every quarter, you will be receiving a newsletter that gives you reminders and information about upcoming events along with what your children are learning each quarter!

When your child brings home crafts, papers, or study guides, we encourage you to ask about these and to also ask what they learned about that day. This will increase their enjoyment of church because they will sense that it is important to you! Our team is so thankful for each and every family here! We are so excited to see what God has in store for our younger generation here at HBC!

UPCOMING DATES TO REMEMBER:

Curriculum Review

Your kiddos have been busy this summer digging into God's word each week! During first service, the children of all ages are learning through Betty Lukens. This system takes our students through both the Old Testament and the New Testament Bible Stories while holding their attention through flannel visuals. Our second service children's church is currently using the David C. Cook "Bible in

Life" Curriculum from preschool through 5th grade. They are learning this quarter how God takes care of us, God wants us to care for others, and how Jesus cares for everyone! Jr High and Sr High students are also learning from the David C. Cook Curriculum called "Seen". This Quarter they are studying Humility, Stewardship, and Serving God. Your teens are doing an awesome job each week at home learning new memory verses and completing study guides.

Prayer Requests

The Students: Pray that our children and youth here at HBC continue to be transformed into passionate, committed Christ-followers. Please pray for the obstacles each one encounters daily as well as the strength and courage to be bold representatives of Christ.

The Teachers: Please pray for God to provide the teachers/nursery workers that are needed. And for our current teachers please pray for wisdom and discernment as they teach, guide and support your child in their faith journey each week. We are so blessed to have such an amazing group of leaders for our children and youth at HBC.

"Train up a child in the way he should go; even when he is old he will not depart from it"
