## A Letter from the Core Team

Spring has sprung! What a great start to the year we have had in our ministries! There is so much happening and what a blessing each and every one of your children are! Below are pictures we wanted to share with you of activities over the past few months! The teens had a surprise egg hunt with the resurrection story and the children's ministry enjoyed a day of bowling and fun! As we head into the warmer months, we pray for continued spiritual growth in both the youth and children's ministries. If you have any questions, please do not hesitate to reach out to the core team!

## Prayer Requests:

The Students: Please pray for the obstacles each one encounters daily as well as the strength and courage to be bold representatives of Christ.

The Leaders: for wisdom, discernment, and knowledge as they guide our next generation.

## Curriculum Review:

As we dive into spring, we will continue to dig into God's word each week! During first service, the children of all ages will continue to learn through The Betty Lukens felt system with flannel visuals taking them through the entire Bible. Our second service children's church is currently using The David C. Cook "Bible in Life" Curriculum from preschool through 5th grade. This quarter they are learning about "God's Special Son", "God's Wonderful World", and "God Meets Our Needs". The Jr High and Sr High student are also learning from The David C. Cook Curriculum called "Seen". This quarter they are studying lessons called "The Word", "Wisdom", and "Critical Thinking". They continue doing a fantastic job each week at home learning new memory verses and completing their study guides!
